

Table 1

LIMESTONES AND MARLS FOR CEMENT INDUSTRY - million tonnes

	Number of deposits	Geological resources in place				Economic resources in place as part of anticipated economic resources
		anticipated economic			anticipated sub-economic	
		Total	A+B+C1	C2+D		
TOTAL RESOURCES	70	12,794.68	7,144.59	5,650.10	955.33	2,115.59
including resources of exploited deposits						
Total -	18	4,132.53	3,157.25	975.28	75.62	2,115.59
1. Deposits of operating mines	16	3,808.32	2,969.11	839.21	75.62	1,831.28
2. Deposits exploited temporarily	2	324.21	188.14	136.07	-	284.30
including resources of non-exploited deposits						
Total-	50	8,655.16	3,981.94	4,673.22	877.88	-
1. Deposits covered by detailed exploration	35	4,697.57	3,981.94	715.63	105.21	-
2. Deposits covered by preliminary exploration	15	3,957.59	0.00	3,957.59	772.66	-
including abandoned deposits						
Abandoned deposits	2	7.00	5.39	1.60	1.84	-
