Accepted abbreviations:

- B** - for solid minerals - mine in a building process, for fuels - prepared for the exploitation or a trial period of the exploitation
- E** - exploited
- G** - underground natural gas storage facilities
- M** - deposit crossed out of the annual report of mineral resources during an analyzed period
- P** - deposit covered by the preliminary exploration (in C<sub>2</sub>+D category, for fuels – in C category)
- R** - deposit covered by the detailed exploration (in A+B+C<sub>1</sub> category, for fuels – in A+B category)
- Z** - abandoned deposit
- T** - deposit exploited temporarily
- K** - change of the raw material in a deposit
